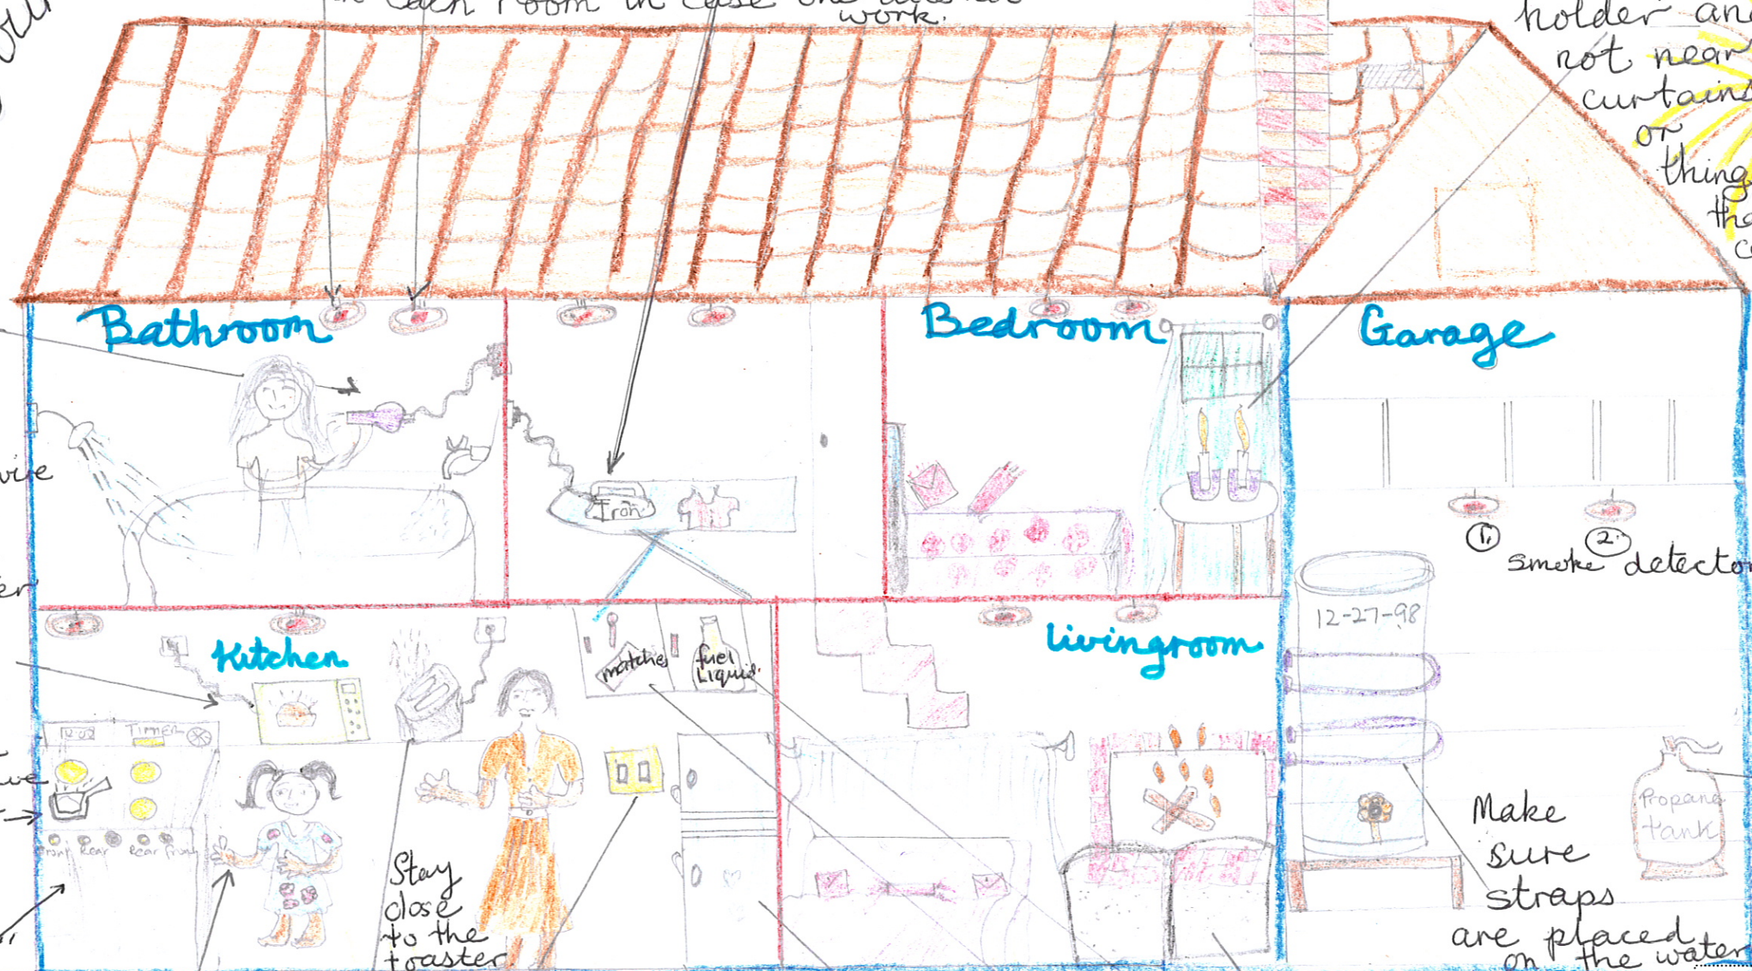
Prevent Home Fires

Educate your family

install 2 smoke detectors in each room in case one does not work.

Do not leave the iron on and walk away.

Keep candle in a protecture holder and not near to curtains or things that catch fire.



make sure the blow dryer wire do not touch the water

watch while cooking food in microwave and on stove

use "timer" when using oven

Keep children away from stove

Stay close to the toaster

Keep plug protector cover

Check refrigerator if need to replace over 10 years

Keep matches away in high cabinets

fuel liquid keep high

protect fire place with cover in case the wood sparks on the rugs.

Make sure straps are placed on the water heater.

Keep away

cut dry trees

Keep bushes short

Water your lawn do not keep the grass dry
