San Bruno Council Meeting May 10<sup>th</sup> 2022 Comment

Council agenda item 6F reads in part:

“Adopt Resolution Authorizing Temporary Road Closure of Various Streets in Conjunction with the 80th Annual Posy Parade and CommUNITY Day Event on San Mateo Avenue”

QUESTIONS:

1. When will the residents find out what the Posy Parade theme is?
2. When will the residents find out how groups can request a booth along San Mateo Ave?
3. When will the residents find out where they can view the floats after the parade?
4. Where will parade viewers be able to park within a very short walk to San Mateo Ave?
5. When will the residents learn details of the various planned activities along San Mateo Ave?
6. When will the residents find out what groups and organizations will be having a booth so they can plan their day of involvement?
7. How is the City advertising the day's events?

Thanks
