

City Council Special Meeting
May 10, 2022
Responses to City Council Agenda Questions

Item 6a Consent

- The minutes from the special meeting on 26 April indicate that I was present when I was not.

The City Manager will request that the minutes for the April 26 special meeting at 5:00pm be pulled for correction.

- Under public comment Mr. Evangelist is shown to have addressed the council regarding item 4c on the regular meeting agenda. According to the agenda Item 4c, in the regular meeting was itself public comment so it is unclear which item Mr. Evangelist commented upon.

The City Manager will request that the minutes for the April 26 special meeting at 5:00pm be pulled for correction.

Item 7a Comments from Council Members

- Note that in the minutes from the last regular council meeting under council comments said that I welcomed the new principal his name is Jose Gomez

Please provide a request on the record and staff will make the correction.

Item 8a Strategic Initiatives

- I intend to request one item to be added to the list:
 - ✓ In support of the Chamber of Commerce, fund a consultant to meet with San Bruno businesses to determine what needs they have that the Chamber could potentially address, and survey Chamber activity in neighboring communities. Use this information to make recommendations for a near-term plan to relaunch the SB Chamber. The new director of the BAEC can manage the consultant so no staff time should be required.

Staff is made aware. Thank you!
