9. Presentation

- A. Crestmoor Canyon debris clearing – Gage Schlice, Fire Marshal, gave an update on this project and gave details of continued work.

CR asked about maintenance after the existing 5-year contract is up.

GS stated they will continue to use the California Conservation Corps. and extend the contract as long as there is a budget for the work.

Resident Malcolm Robinson asked if there is a plan to put a park in the canyon.

MS stated there are no plans to develop a park at this time.

10. Items from Staff

- A. Safe Routes to School stakeholder group formation – DW gave a presentation on the program. A development of the program will entail a consultant to design this with community involvement and the goal is to have two BPAC Committee members volunteer to participate as well. CR and PR volunteered.

- B. Huntington Avenue Cycle Track update – DW stated the consultant concluded their survey and the design is on-track for completion.

Resident Malcolm Robinson asked about the timeline and if it will extend to Millbrae.

DW stated the current phase of the project will run on Huntington from Herman to San Bruno Avenue.

- C. MS attended the Silicon Valley Bike Coalition Northern California Chapter bike ride in San Bruno with JB and there was an excellent turn out of bicyclists.

11. Sub-committee updates

- A. Events – CR, MG - none
B. Walking and Bicycling Safety Outreach – GS recommended linking the Safe Routes to School Program with our outreach program. DW stated public input can be obtained on this.
