You can save time, money and improve your health

- **Save time** — By ordering medications you take regularly online, you make fewer trips to the pharmacy and avoid waiting in line to pick up your medication.
- **Save money** — Depending on your pharmacy plan, you can order up to a 3-month supply of your medication. Orders are sent using free standing shipping.

My medication reminders

Set up text message reminders to help you remember when to take your medication. Text message reminders have been shown to improve medication adherence in persons taking long-term or maintenance medications.²

While on the go

Access your pharmacy benefits and manage your prescriptions from your smartphone or tablet with the **OptumRx app**.³

- Refill or renew home delivery prescriptions

ACT NOW to get all the benefits of medication home delivery.

OptumRx home delivery is safe and reliable.

Cost savings

You may pay less for your medication with a three-month supply through OptumRx.

Convenience

Get free standard shipping on medications delivered to your mailbox.

24/7 access and reminders

Speak to a pharmacist who can answer your questions any time, any day.

Whether you have a new prescription or need to transfer an existing one, it's easy to get started with OptumRx.

Here's how:

ePrescribe

Ask your doctor to send an electronic prescription to OptumRx.

Online

Visit **optumrx.com** and select **Get Started** or use the OptumRx app. From there, you can fill new prescriptions, transfer others to home delivery and more.

Phone

Call the toll-free number on your member ID card to speak to a customer service advocate.

Once OptumRx receives your complete order for a new prescription, your medication should arrive within 10 business days. Completed refill orders should arrive in about seven business days.

We look forward to serving you.

Need your medication right away?

Ask your doctor for a one-month supply that can be immediately filled at a participating retail pharmacy.
