Year(s) at the RAC: 1 year

1. What's your favorite part of working here at the RAC?

- My favorite part about working at the RAC is the community. People are always ready to help and its lovely to see the San Bruno community come together for special events!

2. What do you enjoy doing outside of work?

- I enjoy spending time with my family and traveling.

3. What's your favorite way to stay active, relax, or recharge? Share your wellness tip or hobby with our community!

- My favorite way to relax is to go to the beach.

Name: Andre Barnica

Position: Recreation Specialist

Year(s) at the RAC: 1 year and 3 months

1. What's your favorite part of working here at the RAC?

- I really enjoy the sense of community at the RAC. Everyone here is supportive and welcoming, which makes coming to work feel positive and rewarding. I also love seeing members reach their goals and knowing I get to play a small part in their journey. It's wonderful to see all the programs people get to participate in, such as the special events, sports, and camps we offer at the RAC.

2. What do you enjoy doing outside of work?

- I enjoy fishing, trying out new outdoor activities, and hanging out with my family during my free time. It's a great way to stay active while also making memories.

3. What's your favorite way to stay active, relax, or recharge? Share your wellness tip or hobby with our community!

- I stay active by weight lifting and golfing. My favorite way to relax and recharge is chilling outside with my dogs taking in the fresh air. I also like to play video games with friends and watch sports like football, basketball, and UFC during my off time—it's a fun way to unwind and stay connected.
