

**CITY OF SAN BRUNO
September 16, 2011**

Filling of Crater to Begin Next Week

The City will begin work next week to fill the crater caused by the September 9, 2010 pipeline explosion. The Mayor, other officials, and residents will mark this milestone in the reconstruction and rebuilding process with a ceremonial shovel of dirt at 11:00 a.m. on Tuesday, September 20, 2011.

If you would like to assist in filling the crater with a ceremonial shovel of dirt, please be in attendance at 11:00 a.m. on September 20, 2011.

Parking Information: Parking will be restricted in the immediate work area. Parking is available along Glenview Drive or Earl Avenue. Please be aware not to park in residents' driveways. For safety reasons, access from the north side via Claremont Drive will not be permitted.

Please contact the Glenview Fire Hotline at (650) 616-7180 for more information.
