REVISED June 2014

Side and Rear Yard Fences

Side and rear yard fences may not exceed six feet in height. An additional two feet of lattice may also be constructed on the top of the fence so that the total height of the structure does not exceed eight feet.

Fence & Lattice Example 1

Fence & Lattice Example 2

HEIGHT REQUIREMENT

The maximum height of a fence is measured from existing grade. If the fence is proposed on top of a retaining wall, the height of the fence may be measured from the top of the wall with Planning Division approval.
