

**Crestmoor Neighborhood  
(Glenview Fire)  
Air Quality**

**Bay Area Air Quality Management District**

The *BAAQMD* (District) is the regional, government agency that regulates sources of air pollution within the nine San Francisco Bay Area Counties.

Various agencies tested the air quality in the surrounding neighborhood after the fire. Sample results indicated that the air quality in the area remained healthy and safe. If you have concerns regarding air quality please contact the BAAQMD - [www.baaqmd.gov](http://www.baaqmd.gov)

**Health, Safety and Air Monitoring Summary Following the Glenview Fire**

The full and final report of all of the samplings that occurred during the debris removal operations can be obtained through the County of San Mateo Health Department – [www.smchealth.org](http://www.smchealth.org)
