DUI Saturation Patrol Nets Three Arrests

San Bruno, CA – The San Bruno Police Department conducted a DUI Saturation Patrol on Super Bowl Sunday, February 7, 2016, between the hours of 6:00 p.m. and 2:00 a.m. High visibility DUI enforcement efforts have a deterrent effect, reducing the occurrence of impaired driving, and will continue thanks to special funding for extra officers to patrol for this deadly crime.

This DUI Saturation Patrol produced the following:

- 12 vehicles stopped and screened
- 2 drivers administered field sobriety tests
- 2 drivers arrested for impaired driving
 - 53-year-old Jerry Kwan of San Francisco: cited and released to the custody of First Chance sobering facility in Burlingame
 - 29-year-old Victor Martinez-Alaniz of San Bruno: booked into San Mateo County Jail
- 1 suspect arrested for a \$25,000 felony arrest warrant
 - 35-year-old Sarah Shubin of San Francisco: booked into San Mateo County Jail

Law Enforcement emphasizes the preventable nature of drunk and drugged driving, reminding everyone that all it takes is a little planning ahead. Designate a sober driver or call a cab; but whatever you do, don't drink and drive. The California Office of Traffic Safety DDVIP (Designated Driver VIP) mobile app is now available for free download on iOS and Android devices. Launched last year, the new DDVIP app offers enhanced features, allowing users to "Map a Spot" with their current location to find DDVIP partnering establishments in their area or a "List of Spots" to search all participating bars and restaurants throughout California. Users will be offered free incentives at each bar to celebrate their life saving role. You can stay up-to-date with the latest from DDVIP and see what other users are saying via its social tab. Also through the app, for those who want to imbibe but also make it a point to plan ahead, users can easily order a sober ride from Uber, Lyft or Curb – all from one screen.

Drivers caught driving impaired can expect the impact of their DUI arrest to include jail time, fines, fees, DUI classes, other expenses that can exceed \$10,000; not to mention the embarrassment when friends and family find out.

This DUI Saturation Patrol was funded by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to ‘Report Drunk Driver – Call 9-1-1’.
